

5/10/24 GAC Meeting Notes

Attendance: Emma, Hannah, Jessica, Matt Wilson, Jack Droppa, Paul Sayler

Jessica Update:

- Going to adjourn tonight or sometime tomorrow
- misc c alco bill passed yesterday and will go on to governor
- Won't get to his desk until 3 or 4 weeks
- Once it hits his desk he has 5 days to sign - sometime middle of june
- Thinks he will sign
- Special venue serving permits
 - Added retail establishments - only allowed 12 a year and 6 hours and law will sunset in 2026 and revisit if they like this
 - There is a lot of concern over service
- Sampling event permit - allow purchase from manufacturer or packager
 - Distributors can bring beer to VBF - good thing for us
- Increase special event from 10 to 20 at one location up to 4 days at a time
- Tobacco Retail Audit - audit second class for where they place N/A and Alcohol
- Not a big year for alcohol
- Budget and tax bills are moving forward
- None of the major taxes that we talked about earlier in the session are going forward.
- Tax on cloud access software might come up
 - POS service access on cloud - if so there might be a new tax on those purchases in the future
 - Jessica will send tax # in weekly report/update
- Provisions effective Jul 1, 2024

Next Steps:

- Jessica let us know when things officially pass.
- Meet end of August/early September
 - Get together with DLL
 - Talk about streamline permits
 - Will be a long conversation to get there and if there are other issues we want to bring to the table early august/september is the right time to get them
 - NH is looking at doing the same thing and is going to send to Emma
 - Skyler and Brandon seem interested in that when NH was talking about at Conference Emma presented at.
