Welcome to the 2024 Vermont Brewers Festival!

Welcome to the 2024 Vermont Brewers Festival, held on the beautiful waterfront in Burlington, VT.

It is the 31st anniversary of this festival. This is an event that the Vermont Brewers Association takes great pride in, unlike other festivals it is brought to you directly by the brewers themselves. All ticket and retail sales go to supporting our statewide organization. We strive to promote and strengthen the culture of craft beer in Vermont, our efforts go towards marketing, education and advocacy for our beloved craft.

Craft beer is constantly changing and the list of breweries that make up the VBA is growing. Be on the lookout for your old favorites but don't hesitate to seek out new VT breweries or any of our guest breweries pouring here this weekend. There are plenty of options to choose from and they are all here in this spectacular venue.

This event holds many cherished memories for both brewers and attendees alike. Take a moment to chat with your favorite brewery, ask a question or share a laugh. Enjoy the moment!
